- b) A description of the goods procured or the services subcontracted for;
- c) The amount paid by the prime contractor under the subcontract; and
- d) A copy of the fully executed subcontract, if it was not provided with an earlier quarterly report.

Revise Section L.2.4 , General Instructions, sub-section Technical Proposal guidelines as follows:
as follows:

2) TECHNICAL PROPOSAL GUIDELINES: Proposals shall clearly be labeled in the format described below:

Section I – Technical Approach (no more than 10 pages)

1. The proposal shall contain a detailed technical approach which is clear, concise, comprehensive, and explains the offeror's understanding of the requirements outlined in the scope. The approach should include a project management plan for each requirement outlined in the scope, which lays out the most critical potential issues and risks involved in the proposed litigation against distributors of prescription opioid pharmaceuticals. As part of this, the offeror in detail shall describe the technical, institutional, and legal elements necessary to achieve the successful completion of the contract. Responses should draw upon past experience, industry standards, and best practices in the project approach.
2. The proposal shall provide a detailed approach of how the offeror will evaluate and report any actual, potential or perceived conflict of interest that exists or may exist as a result of any (1) work performed or (2) conclusion reached for any former or current client which would cause the contractor to be disqualified or provide a basis to question the contractor's impartiality or objectivity throughout the lifetime of the contract.

Section II – Offeror's Experience (no more than 10 pages, charts not included)

1. The proposal shall contain relevant case studies demonstrating the offeror's previous experience in advising clients in connection with consumer protection litigation. As part of each case study offerors should address the extent, nature, and success of both (a) the cooperative processes, and (b) activities involving litigation.
2. The proposal shall contain a staffing plan detailing the resource allocation to fulfill the requirements described in the scope which identifies all key personnel, per Section L.21 of this solicitation; a draft project milestone chart reflecting the proposed teams' activities in addressing the requirements outlined in the scope and any potential, data to be collected and analyzed, phases, activities, and tasks necessary to achieve the milestones.
3. Offerors shall further provide a description of each team member's capabilities and experience in providing similar services to other organizations or government entities in the applicable solicitation labor category the offeror's team member falls under.
4. Offerors shall provide resumes, including certifications, and credentials for all team members (prime and subcontractors), which will not count against the page limit.

Section III – Offeror's Past Performance

1. The Offeror shall provide a list of three (3) previous contracts for which the Offeror provided identical or similar work within the last five (5) years. For each contract please provide the following information: Name of Company/Organization; Title of Project; Contract Number; Dollar Amount; Period of Performance, Contact Person's Name, Title, Telephone Number and Email Address. For each project listed the Offeror shall provide detailed information that describes the projects and highlight similarities between it and

the scope of this solicitation.

2. The offeror shall also provide a minimum of three (3) references, including at least one from a state or local government body that can comment on the Contractor's ability to successfully achieve the objectives stated in the statement of work. The three projects submitted as past performance and as references may be the same and do not have to be separate and distinct.

Revise – Section M.1, Evaluation for Award to add the below sub-section

- M.1.2 Failure of an offeror to submit a sub-contacting plan that meets the requirements of section C.5.6 with its proposal shall be deemed a disqualifying factor and the proposal shall not be considered for an award.

Delete - Section M.3.1, Technical Criteria in its entirety

Insert – below revised Section M.3.1

M.3.1 TECHNICAL CRITERIA (70 Points Maximum)

The District shall evaluate proposals on the basis of the factors and sub-factors below, based on the extent to which the proposal contains a detailed response to each factor and sub-factor that is clear, concise, comprehensive and complete.

Sections I - Technical Approach (30 points):

- 1) This evaluation factor evaluates the Offeror's proposed technical approach setting forth your process for carrying out the objectives in the scope of work successfully.
- 2) The Offeror's project management plan.

Section II – Offeror's Experience (15 points):

- 1) The Offeror's staffing plan and project milestone plan addressing requirements of the scope.
- 2) The Offeror's firm references.
- 3) The Offeror's team member's expertise and previous experience providing similar services to other organizations or government entities or organizations.
- 4) Resumes

Section III - Offeror's Past Performance (15 points)

- 1) The Offeror's technical expertise and previous experience and relevance of the work performed and previous work on similar services provided by the Offeror to other entities or organizations.

Section IV – Offeror’s SBE and/or CBE Sub-Contracting Plan (10 Points)

- 1) The Offeror’s detailed sub-contracting plan that identifies the SBE/CBE vendor(s), services to be provided, and an estimated dollar value.

Delete - Section M.3.2, Price Criterion

Insert – below revised Section M.3.2

M.3.2 PRICE CRITERION

(30 Points Maximum)

The District shall evaluate the price proposals on the basis of the following criteria. The District of Columbia will apply the contingency fee rate from the Offeror’s price proposal to the District’s estimated recovery; taking into account the District’s view of the likely course of the litigation to the extent it is relevant to the price proposal. This evaluation will result in a projected dollar amount for the contingency fee. Proposals will be assigned points based on a rank ordering of projected dollar amounts from lowest to highest, with the lowest priced proposal receiving the highest number of points.
