Question	OAG Response
<p>1. My firm is on the DCSS and we'd like to bid on this work. We have a teaming partner that we work with that we'd like to partner for this opportunity. Can the Past Performance come from the sub? Also, our teaming partner is a small women-owned business, who is in the process of becoming a CBE, but is not a CBE yet. Does this present any issues?</p>	<p>OAG will only evaluate the Past Performance of the prime contractor under Technical Evaluation Factor J.3.4 (10 points). Proposed subcontractor qualifications will be evaluated under two separate factors, J.3.1, Demonstrated Experience (25 points) and J.3.3, Staff Qualifications (20 points).</p> <p>By law, the DCSS Contractor must perform at least 35% of the contracting effort with its own organization and resources and, if it subcontracts, 35% of the subcontracted effort shall be with CBEs.</p> <p>To receive preferences, eligible businesses must be certified by the Department of Small and Local Business Development (DSLBD) at the time the solicitation closes.</p>
