Request for Proposals No. DCCB-2019-R-0018 for OAG Classification & Compensation Review, is hereby amended to respond to the following questions:					
<u>Question:</u>			<u>Response:</u>		
1. As an interested contractor in the above mentioned RFP, I'd like to know if this is a "new" procurement opportunity, or a NextGen follow-on? As Capture Mgr., and looking at the requirements, we are fully capable of enthusiastically responding with every intention of at least being competitive. However, for my edification, I'd like to know if there's an incumbent.			A: There are incumbent technical resources using an existing staffing contract. OAG intends to move these resources to the IDIQ contracts, and use the multiple awards to staff additional resources needed for the project.		
Except as provided herein, all terms and conditions of the document referenced in Item 9A or 10A remain unchanged and in full force and effect.

**Question**

2. The pricing schedules shows "Minimum quantity" as 100. Is this quantity for 100 employees or is this quantity for 1 employee at 100 hours?
  
3. Is it possible for you to send us a comprehensive list of Q&As regarding this solicitation? Or is there a portal where we can view them?

**Response**

The Minimum and Maximum Quantities are HOURS.
