<u>Question</u>	<u>Response</u>
1. Would you consider bids from holders of other DC Supply Schedules such as MOBIS?	No. This procurement is set aside for the Contractors awarded the DC Supply Schedule for IT EQUIPMENT AND SOFTWARE. The OCP DCSS Contracting Officer confirmed that the MOBIS Schedule is strictly labor categories and cannot be used for leasing of equipment. B.3 is revised accordingly.
2. What are the lease terms?	The terms of the leases shall be three (3) years for end user devices and five (5) years for data center equipment. Reference revised Sections F.2 and L.2.7.

E. Section F.2 is amended to add subsection F.2.2 and read as follows:

F.2 OPTION TO EXTEND THE TERM OF THE CONTRACT

F.2.1 The District may extend the term of this contract for up to four one-year option periods, or multiple successive fractions thereof, by written notice to the Contractor before the expiration of the contract; provided that the District will give the Contractor preliminary written notice of its intent to extend at least thirty (30) days before the contract expires. The preliminary notice does not commit the District to an extension. The exercise of this option is subject to the availability of funds at the time of the exercise of this option. The Contractor may waive the thirty (30) day preliminary notice requirement by providing a written waiver to the Contracting Officer prior to expiration of the contract.

F.2.2 The terms of the leases shall be three (3) years for end user devices and five (5) years for data center equipment. Reference the specific separate lease terms stipulated in section H.3.3 and Section L.2.7.

F.2.3 If the District exercises this option, the extended contract shall be considered to include this option provision.

F.2.4 The prices for the option period(s) shall be as specified in the Section B of the contract.

F.2.5 The total duration of this contract, including the exercise of any options under this clause, shall not exceed five (5) years.

F. Section L.2.7 is revised to read as follows:

L.2.7 Leasing Agreement - The Contractor shall offer a lease program to the District for the purpose of financing all items set forth in Section B. The Contractor's lease program bid shall include three (3)-year lease terms/option(s) for the end user devices and five (5) – year lease terms / options(s) for the data center equipment with corresponding annual payments. Lease programs must include all closing costs, maintenance fees, filing fees, licensing costs, service fees, and any other miscellaneous costs associated with the lease program in a clearly itemized cost breakdown summary. The summary of financing information shall not exceed two (2) pages.
