SECTION C: SPECIFICATIONS/WORK STATEMENT

C.1 SCOPE

The Office of the Attorney General for the District of Columbia (OAG) requires the services of an experienced Human Resource (HR) consultant firm to provide administrative support and consulting services to its HR Division. Services would include, but are not limited to electronic document management, policy and procedure reviews, update of HR Standard Operating Procedures (SOP) document, development of an OAG organization chart through division sections and units, and review and development of forms and templates.

C.2 BACKGROUND

OAG is the chief legal office for the District of Columbia, charged with enforcing the District's laws in a manner that is in the public's interest. OAG provides the Government of the District of Columbia, with high quality legal advice, defense of the city in all lawsuits, promotion of public safety through prosecuting crimes, deterring public nuisances, and otherwise protecting the public interest.

During the period OAG was operating under a maximum telework policy in response to the pandemic, HR staff did not have universally consistent and reliable access to a shared folder to store HR related documents. As a consequence of the uncertainty of system accessibility during the remote working period, individual staff created unique electronic files and filing conventions to store HR file. Now that OAG has returned to a more normal operating status, OAG needs to ensure that all HR documents are housed in a single repository, under a common filing convention that can be readily accessed by all HR personnel using the HR shared electronic system.

OAG has access to the following software platforms – Microsoft Office (One Drive), Box, and Jobvite. It is OAG intent to use a platform it already has to create the centralized repository. The selected contractor will provide its advice on the best manner and method for creating a common use filing system convention solution for the secure storage of the position descriptions, personnel records, recruitment records, and other HR documents. The filing method should allow easy, readily understood access to identified HR personnel and robust search functionality.

The contractor may need to coordinate with OAG's IT staff during the term of the contract.

This is a new requirement. There is not an incumbent provider. Note that OAG does not have a manual or automated job description library. During the course of providing services, the contractor's staff may be given access to confidential employee records, both current and separated. Therefore, the contractor's staff may be required to sign a confidentiality agreement.

The estimated budget for this project is approximately \$80,000. The awarded contract will be a labor-hour type contract. During the course of the contract term, if the total amount is expected to be over the stated not-to-exceed amount, the contract may be modified to increase that amount.

C.3 GENERAL REQUIREMENTS

- C.3.1** Within two (2) days after contract award, the contractor shall attend a kick-off meeting with the CA and designated HR staff to review the requirements and preliminary project schedule.
- C.3.2** Within seven (7) days after the initial meeting, the contractor shall provide the CA, for approval, a final project schedule outlining the milestones to complete each of the specific requirements outlined in section C.4 below.
- C.3.3** The contractor shall provide progress status reports to the CA weekly.
- C.3.4** The contractor understands that the contractor will be provided access to sensitive and confidential information. The contractor must maintain confidentiality of all records and documents provided. The contractor shall not cause any documents provided to be stored on a system other than those expressly identified and approved by OAG. Upon completion of services, or contract expiration or termination, the contractor shall return all District provided documents to OAG.
- C.3.5** The contractor shall provide most of the work off-site.

C.4 SPECIFIC REQUIREMENTS

C.4.1 Documents Library

1. The contractor shall support OAG-HR by consolidating HR's databases and electronic shared folders.
2. The contractor shall survey HR staff to determine the volume and type of files to be consolidated into a single electronic repository. It is estimated that there are over 200 files. The files include position description, personnel records, full cycle recruitment records developed by approximately eight (8) staff members for new hires, promoted, reassigned, and separated employees throughout the Agency. The contractor will not be required to scan a large volume of documents.
3. The contractor shall review current OAG's human resources file system infrastructure to determine the best method and manner to collectively house HR documents.
4. The contractor shall create an electronic filing system categorizing documents into logical folders and subfolders to allow for efficient access to documents, that include position description, personnel records, full cycle recruitment records developed by approximately eight (8) staff members for new hires, promoted, reassigned, and separated employees throughout the Agency. The contractor shall obtain approval from the CA on the proposed filing system categorization prior to consolidating files.

C.4.2 Operational Policies and Procedures

1. The contractor shall review OAG's existing Recruitment SOP (which was last updated in 2021) and make suggestions for edits to update the document to incorporate new District or

OAG policies; and streamline, revise and/or add new policies, practices and procedures. Once the edits have been approved by OAG, the contractor shall update the Recruitment SOP document within ten (10) business days of receipt unless otherwise agreed to.

2. The contractor shall provide recommendations and strategies for the development of an effective process to review and update the Recruitment SOP going forward.

1. The contractor shall review and revise the Employee Handbook, including compiling and enhancing OAG HR's employee hiring package ("HR Hiring Package"), included within the Employee Handbook, used by HR Specialists and provided to employees at time of on-boarding. The Employee Handbook Hiring Package provides a How-to-Guide for HR employees and directs employees on how and where to access forms, templates, policies and procedures that the employee will need as part of their on-boarding orientation to OAG.
2. When needed, the CA will have OAG's Legal Counsel and Personal Labor and Employment Division to review the proposed revisions to the handbook to review compliance with all federal and state laws.

C.4.4 Document Review

1. The contractor shall review and update various existing forms and templates. These forms and templates may include:
 - a. Offer Letters
 - b. Position Descriptions and Op 8
 - c. Requisition Initiation Request Form
 - d. Top Recommendation Candidate Selection Memo
 - e. Salary recommendation memo template

Sexual harassment is a form of sex discrimination which is prohibited by the Act. In addition, harassment based on any of the above protected categories is prohibited by the Act.
- (2) The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation, political affiliation, or credit information. The affirmative action shall include, but not be limited to the following:

- (4) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment pursuant to the non-discrimination requirements set forth in paragraph 19(b)(2).
- (5) The Contractor agrees to send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the contracting agency, advising the said labor union or workers' representative of that contractor's commitments under this nondiscrimination clause and the Act, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (6) The Contractor agrees to permit access to its books, records, and accounts pertaining to its employment practices, by the Chief Procurement Officer or designee, or the Director of the Office of Human Rights or designee, for purposes of investigation to ascertain compliance with the Act, and to require under terms

of any subcontractor agreement each subcontractor to permit access of such subcontractors’ books, records, and accounts for such purposes.

- (7) The Contractor agrees to comply with the provisions of the Act and with all guidelines for equal employment opportunity applicable in the District adopted by the Director of the Office of Human Rights, or any authorized official.
- (8) The Contractor shall include in every subcontract the equal opportunity clauses, i.e., paragraphs 19(b)(1) through (b)(9) of this clause, so that such provisions shall be binding upon each subcontractor.
- (9) The Contractor shall take such action with respect to any subcontract as the CO may direct as a means of enforcing these provisions, including sanctions for noncompliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the District to enter into such litigation to protect the interest of the District.

L.6 RESTRICTION ON DISCLOSURE AND USE OF DATA

L.6.1 Offerors who include in their proposal data that they do not want disclosed to the public or used by the District except for use in the procurement process shall mark the title page with the following legend:

If, however, a contract is awarded to this Offeror as a result of or in connection with the submission of this data, the District will have the right to duplicate, use, or disclose the data to the extent consistent with the District's needs in the procurement process. Any actual or prospective offeror or contractor who is aggrieved in connection with the solicitation or award of a contract, must file with the D.C. Contract Appeals Board (Board) a protest no later than ten (10) business days after the basis of protest is known or should have been known, whichever is earlier. A protest based on alleged improprieties in a solicitation which are apparent at the time set for receipt of initial proposals shall be filed with the Board prior to the time set for receipt of initial proposals. In procurements in which proposals are requested, alleged improprieties which do not exist in the initial solicitation, but which are subsequently incorporated into the solicitation, must be protested no later than the next closing time for receipt of proposals following the incorporation. The protest shall be filed in writing, with the Contract Appeals Board, 441 4th Street, N.W., Suite 350N, Washington, D.C. 20001. The aggrieved person shall also mail a copy of the protest to the CO for the solicitation.

L.9 UNNECESSARILY ELABORATE PROPOSALS

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective response to this solicitation are not desired and may be construed as an indication of the Offeror's lack of cost consciousness. Elaborate artwork, expensive visual and other presentation aids are neither necessary nor desired.

L.10 RETENTION OF PROPOSALS

All proposal documents will be the property of the District and retained by the District, and therefore will not be returned to the offerors.

L.13 ACKNOWLEDGMENT OF AMENDMENTS

The Offeror shall acknowledge receipt of any amendment to this solicitation by including a signed copy with its proposal. The District must receive the acknowledgment by the date and time specified for

receipt of proposals. An Offeror's failure to acknowledge an amendment may result in rejection of its offer.

L.14 BEST AND FINAL OFFERS

If, subsequent to receiving original proposals, negotiations are conducted under 27 DCMR §5035.9 (b), all Offerors within the competitive range will be so notified and will be provided an opportunity to submit written best and final offers at a designated date and time. Best and final offers will be subject to the Late Submissions, Late Modifications and Late Withdrawals of Proposals provisions of the solicitation. If the available information is insufficient to make a determination of responsibility, the CO shall determine the prospective contractor to be non-responsible.

SECTION M - EVALUATION FACTORS

M.1 EVALUATION FOR AWARD

The Contract will be awarded to the responsible offeror whose offer is most advantageous to the District, based upon the evaluation criteria specified below. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores will not necessarily be determinative of the award. Rather, the total scores will guide the District in making an intelligent award decision based upon the evaluation criteria.

M.2 TECHNICAL RATING

M.2.1 The Technical Rating Scale is as follows:

<u>Numeric Rating</u>	<u>Adjective</u>	<u>Description</u>
0	Unacceptable	Fails to meet minimum requirements; e.g., no demonstrated capacity, major deficiencies which are not correctable; offeror did not address the factor.
1	Poor	Marginally meets minimum requirements; major deficiencies which may be correctable.
2	Minimally Acceptable	Marginally meets minimum requirements; minor deficiencies which may be correctable.
3	Acceptable	Meets requirements; no deficiencies.
4	Good	Meets requirements and exceeds some requirements; no deficiencies.
5	Excellent	Exceeds most, if not all requirements; no deficiencies.

M.2.2 The technical rating is a weighting mechanism that will be applied to the point value for each evaluation factor to determine the offeror’s score for each factor. The offeror’s total technical score will be determined by adding the offeror’s score in each evaluation factor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, using the Technical Rating Scale above, if the District evaluates the offeror’s response as “Good,” then the score for that evaluation factor is 4/5 of 40 or 32.

If subfactors are applied, the Offeror’s total technical score will be determined by adding the Offeror’s score for each subfactor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, with two subfactors of twenty (20) points each, using the Technical Rating Scale above, if the District evaluates the Offeror’s response as “Good” for the first subfactor and “Poor” for the second subfactor, then the total score for that evaluation factor is 4/5 of 20 or 16 for the first subfactor plus 1/5 of 20 or 4 for the second subfactor, for a total of 20 for the entire factor.

M.3 EVALUATION CRITERIA

Proposals will be evaluated based on the following evaluation factors in the manner described below:

M.3.1 TECHNICAL CRITERIA (80 Points Maximum)

A) Proposed Project Team (25 Points)

This evaluation factor considers the education, experience, knowledge, past performance, necessary skills and expertise of the personnel to be assigned to the project.

B) Technical Approach (25 Points)

This evaluation factor considers the proposed technical approach proposed for this project, including demonstrated effectiveness in project management, clarity of proposed project schedule, communication of project status, and quality assurance process.

C) Past Performance and Experience (30 Points)

This evaluation factor considers the Offeror’s relevant past performance and experience and the extent to which it demonstrates the Offeror’s ability to perform and effectiveness of the work performed. This factor considers the extent of the Offeror’s past performance within the last five (5) years, in achieving a high degree of customer satisfaction.

M.3.2 PRICE CRITERION (20 Points Maximum)

The price evaluation will be objective. For the purposes of evaluation only, the District will use a quantity of 1 hour times the hourly labor rate for each CLIN to calculate a total proposed price to use in the formula below. The offeror with the lowest price will receive the maximum price points. All other proposals will receive a proportionately lower total score. The following formula will be used to determine each offeror’s evaluated price score:

$$\begin{array}{l} \text{Lowest price proposal} \\ \text{-----} \end{array} \times \text{weight} = \text{Evaluated price score}$$

Price of proposal being evaluated

For example: If the offeror proposes the following prices, the total proposal price used for the purposes of calculating an evaluated price score would be \$480.

Contract Line Item No. (CLIN)	Labor Category	Hourly Labor Rate *
0001	Project Manager	\$ 170
0002	Sr. Consultant	\$ 150
0003	Consultant	\$ 100
0004	Administrative Support Specialist	\$ 60
		\$ 480

M.3.3 PREFERENCE POINTS AWARDED PURSUANT TO SECTION M.5.2 (12 Points Maximum)

M.3.4 TOTAL POINTS (112 Points Maximum)

Total points shall be the cumulative total of the offeror’s technical criteria points, price criterion points and preference points, if any.

M.4 EVALUATION OF OPTION YEARS

The District will evaluate offers for award purposes by evaluating the total price for all options as well as the base year. Evaluation of options shall not obligate the District to exercise them. The total District's requirements may change during the option years. Quantities to be awarded will be determined at the time each option is exercised.

M.5. PREFERENCES FOR CERTIFIED BUSINESS ENTERPRISES

Under the provisions of the "Small and Certified Business Enterprise Development and Assistance Act of 2014", D.C. Official Code § 2-218.01 *et seq.*, as amended ("Act", as used in this section), the District shall apply preferences in evaluating proposals from businesses that are certified by the Department of Small and Local Business Development (DSLBD) pursuant to Part D of the Act.

M.5.1 Application of Preferences

For evaluation purposes, the allowable preferences under the Act shall be applicable to prime contractors as follows:

- M.5.1.6** Any prime contractor that is a disadvantaged business enterprise (DBE) certified by DSLBD will receive the addition of two points on a 100-point scale added to the overall score.
- M.5.1.7** Any prime contractor that is a veteran-owned business (VOB) certified by DSLBD will receive the addition of two points on a 100-point scale added to the overall score.
- M.5.1.8** Any prime contractor that is a local manufacturing business enterprise (LMBE) certified by DSLBD will receive the addition of two points on a 100-point scale added to the overall score.

M.5.2 Maximum Preference Awarded

Notwithstanding the availability of the preceding preferences, the maximum total preference to which a certified business enterprise is entitled under the Act is the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to this RFP. There will be no preference awarded for subcontracting by the prime contractor with certified business enterprises.

M.5.3 Preferences for Certified Joint Ventures

A certified joint venture will receive preferences as determined by DSLBD in accordance with D.C. Official Code § 2-218.39a(h).

M.5.4 Verification of Offeror's Certification as a Certified Business Enterprise

M.5.4.1 Any vendor seeking to receive preferences on this solicitation must be certified at the time of submission of its proposal. The CO will verify the offeror's certification with DSLBD, and the offeror should not submit with its proposal any additional documentation regarding its certification as a certified business enterprise.

M.5.4.2 Any vendor seeking certification in order to receive preferences under this solicitation should contact the:

Department of Small and Local Business Development
ATTN: CBE Certification Program
441 Fourth Street, NW, Suite 850N
Washington DC 20001

M.5.4.3 All vendors are encouraged to contact DSLBD at (202) 727-3900 if additional information is required on certification procedures and requirements.

M.6 EVALUATION OF PROMPT PAYMENT DISCOUNT

M.6.1 Prompt payment discounts shall not be considered in the evaluation of offers. However, any discount offered will form a part of the award and will be taken by the District if payment is made within the discount period specified by the offeror.

M.6.2 In connection with any discount offered, time will be computed from the date of delivery of the supplies to carrier when delivery and acceptance are at point of origin, or from date of delivery at destination when delivery, installation and acceptance are at that, or from the date correct invoice or voucher is received in the office specified by the District, if the latter date is later than date of delivery. Payment is deemed to be made for the purpose of earning the discount on the date of mailing of the District check.
